# With Kids' Growing City's Programs

**Access to  
Online Teacher  
Training**

## Your Students Will

- Learn how to grow food
- Do all the work
- Have tons of fun
- Build, grow and maintain their garden
- Harvest food before and after summer, in spring and fall

**Your Caretakers  
/Facilitators  
Will  
Do NOTHING!**

**Hands-on Authentic Experiential**

## Your Teachers Will

- Do NOTHING but learn from us!  
We certify them so you don't have to hire us back next year!

**In-Person & Online Training  
for teachers as part of the program**

**We Design  
Your  
School  
Garden**

## Our Programs

- Connect to science, bio-diversity, health & wellness, environmental stewardship, modern learning and much more in the curriculum!

**Your Parents  
Community  
Will  
Be Engaged**
